OFFICE OF

THE TOMBSTONE MILL AND MINING COMPANY,

220 SOUTH FOURTH STREET,

GEORGE BURNHAM, PRESIDENT.
W. J. CHEYNEY, GENERAL MANAGER.
I. W. McELWEE, ASST. TREAS. & SEC.

Philadelphia, March 17th 1894. 18

My dear Son:

I enclose herewith check on the Bank of California for $500. to your order on account of Bangor investment. For the present, at least, I presume you will keep the finances of this matter in your own account; I will make a separate account of all money sent to you for this purpose. Mr. Bennett expresses his desire to go in to the extent already advised and Mr. Sheridan, his friend, has the matter under consideration. I gave to the latter extracts from your letters giving your views of the enterprise in full and told him that probably he had better withhold his investment until I saw you and learned whether the matter will be pursued to any material extent as I understand that you have not yet decided upon pressing it beyond the preliminary shaft which you described. Should you wish, before I see you, to arrange for further work do so

P.S. - I told the above and the check which I now enclose - thinking I would get a letter - and one may come to-morrow but I shall be at home to-morrow and may not be here for two or three days. - I will write you on Monday P.M. - when I may know more. My physician and Mgr. Burnham and others are urging me to stay here longer & the rest as well as usual. Cheney W. J. Cheyney
